Vesta Properties welcomes you to Kalkan, one of the most spectacularly beautiful areas in Turkey, if not the entire world! Just search Kalkan for yourself on the internet and prepare to fall in love!

The Kalkan region is developing into a modern tourist area, thanks to its wonderful weather, beautiful beaches, clean and clear water, breathtaking views, good roads and connections to the rest of Turkey, top quality hotels, fine restaurants and above all very friendly people. However, you will still find the peace and quiet of village life here.

Kalkan is a wonderful place to spend your holidays or, even better, the rest of your life! Many have already found it a beautiful place in which to holiday or to settle and a very rewarding place in which to make an investment in property. So have a look around our website and see what you think!
